

THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

17 July 1987

NOTE FOR: DCI  
DDCI

FROM: C/NIC

SUBJECT: NFIB Briefing Books

Your NFIB briefing books will follow a new standardized format beginning this week, in an attempt to make them more usable. At the front of each book, you will find a single sheet of proposed DCI opening remarks, ending with an index of the estimates to be reviewed, in order of presentation. For each estimate there are three enclosures in the following order: issues which may arise, background for the DCI, and the estimate proper. If time is limited, your attention is particularly drawn to the proposed remarks, and the first sheet of each tab, on the issues. If developments after this submission require an update (e.g., unexpected issues arise from the Military Intelligence Board), you can expect an explanatory note along with any required revisions to the books. If you would like any further adjustments, please let us know.

Very respectfully,

  
FRANK B. HORTON III  
Major General, USAF
